

**CITY OF WATERVILLE
CODE ENFORCEMENT OFFICER**

The City of Waterville is accepting applications for a Code Enforcement Officer position. Work involves administration of code enforcement activities for the City, including physical inspections of residential, commercial and industrial properties for code compliance. Applicant must be a high school graduate with at least six years of experience in the building trades, preferably with experience in positions which were directly responsible for compliance with building codes/zoning codes, ordinances and allied regulations. Applicant must be State Certified in Building Standards, Zoning and Land Use, and Shore land Zoning. In addition, must be or have ability to readily become a State Certified Local Plumbing and Electrical Inspector. Must have valid Maine Class C driver's license.

This is a full-time, salaried position with a competitive salary and benefits package. Applicants are to submit a letter of interest, salary requirement, current resume, and copies of applicable state certifications to the Human Resource Office, 6 Wentworth Court, Waterville, ME 04901, prior to Wednesday, June 21, 2017.

Waterville is an Equal Opportunity Employer
