

Code Enforcement Inspector

The City of Brewer is seeking an organized, highly motivated and team oriented individual to fill the position of Code Enforcement Inspector with the Code Enforcement Department.

Individuals already possessing the necessary state certifications are preferred; however, a combination of certifications, work experience, and education may be accepted. Qualified individuals should possess necessary certifications for code enforcement inspections; however, we are willing to provide training and testing for the right candidate. Must have a State of Maine driver's license.

The essential duties of this position include: a working knowledge of state statutes, local codes and ordinances, MUBEC certifications, building and construction trades, indoor and outdoor plumbing codes, and electrical codes. The successful candidate will be able to maintain a professional demeanor and work cooperatively with city staff, contractors, developers, and property owners.

This is a part-time position with flexible hours in one of the State's most dynamic and exciting communities. This position will remain open until filled. If you are interested in joining our team of professionals, please send your cover letter and resume to:
